Texas Department of Criminal Justice Approves 33 The Series by Authentic Manhood for Pre-release Parole Studies

33 THE SERIES is Now Shortlisted Among Courses Deemed Highly Valuable for Inmates Being Considered for Parole in 87 Men's Prison Facilities Across the State of Texas

Spring, TX – January 1, 2022 – The Texas Department of Criminal Justice continues to lead the nation with the lowest rates of recidivism. Through the introduction of faith-based dorms and programs focusing on basic adult education and life-skills, Texas continues to innovate with the introduction of **33 The Series**, a six-part, faith-based course designed specifically for men. **33 The Series** is a journey to authentic manhood as modeled by Jesus in his 33 years on earth.

The series, produced by Authentic Manhood, explores six critical areas of a man's life and challenges them to understand God's design and plan for their lives and the lives of those they interact with through friendship, work, marriage and parenting. The series is broken into the following six volumes with six lessons each:

Volume 1 – A Man and His Design: Discovering God's design for men with a clear definition and compelling vision of authentic manhood.

Volume 2 – A Man and His Story: Understanding and dealing responsibly with your past so you can enjoy God's best for your future.

Volume 3 – A Man and His Traps: Identifying the deep idols of your heart and developing a battle plan that goes beyond behavior modification to transformation

Volume 4 – A Man and His Work: A blueprint for work from a higher perspective of truth, passion, and purpose that is satisfying and meaningful.

Volume 5 – A Man and His Marriage: An inspiring picture of marriage that will change everything if you feel stuck and encourage you if you're already thriving.

Volume 6 – A Man and His Fatherhood: Practical and proven principles prepare you to launch healthy sons and daughters into the world.

About Authentic Manhood Initiative and Tierce Green

Authentic Manhood Initiative is a strategic partnership with Authentic Manhood and 33 The Series. Tierce Green is the Director of this Initiative and a co-presenter for **33 The Series**. Authentic Manhood Initiative is working with individuals, churches and businesses to build a global network of men reaching men with the timeless principles of biblical manhood. **33 The Series** is the framework for this initiative, illustrating God's design and plan for men today and teaching them how to live a life of truth, passion and purpose.

Tierce taught the principles of authentic manhood to over a thousand men each week in a seasonal gathering called The Quest in The Woodlands, Texas. He travels extensively as a coach, consultant and keynote speaker for various events around the world. As a series presenter and course instructor, Tierce brings his firsthand experience and a broad perspective to the Authentic Manhood Initiative.
